

Bylaws Committee Report

March 17, 2011

The Bylaws Committee is addressing one issue for the May 15, 2011 Annual Membership meeting.

At the Fall Semi-Annual Membership meeting, an issue had arisen regarding the location of the meeting. The Clubhouse had been booked for an event before the new bylaws were passed. In the new bylaws, a Fall Membership meeting is to be held at the community Clubhouse at Lake Como Beach, Town of Geneva, Walworth County, Wisconsin on the second Sunday of October. The meeting was held the second Sunday of October at the Geneva Town Hall. A member asked the Bylaw Committee to clarify the Bylaws in terms of meeting location, and for what reasons the meeting will be relocated and how that relocation notification will be made. The committee will have a recommendation on the website by early April. If anyone has any comments or suggestion on this subject, please forward them to the Bylaw Committee.

The Committee was also asked to look into the pier committee, and pier rules and regulations contained within the bylaws. It was agreed with the member making the request that at the May Annual Membership meeting, the Committee will let the membership know that we will be dealing with this matter over the summer. We will be looking for input from the Board, pier committee, and members. Bylaw changes will be recommended at the Semi-Annual Fall Membership meeting.

Respectfully submitted,

Sandy Searles
