IN MEMORY OF

HENRY (Hank) RICCI

November 5, 1911-March 24, 1981

Hank will long be remembered for his tireless devotion to our Community as a member of this Association for Thirty Nine years; serving as a Director and Officer, holding the positions of Vice-President, Secretary and Treasurer. He and his wife Verna have owned property in Como since 1941 and have lived here with their son, William, a total of 17 years.

He was the first to maintain the weed cutter, worked as a police officer evenings and weekends, was the water safety patrol, and the first garbage collector—picking up friends and neighbors' garbage in his truck and taking it to the dump.

Hank gave to our community as he gave to all his efforts. He retired in 1971 from the Hellstrom Corporation after 33 years.

Hank will be remembered as a man who cared for many—a fitting legacy for his grandson Shawn.

MAY GOD BLESS AND KEEP HIM.
